

Public Notice

Change in Service Levels Rorketon Fire Department

This notice is to inform residents of a temporary reduction in service levels by the Rorketon Fire Department. At this time Lake Winnipegosis Mutual Aid with their respective fire departments will respond to provide fire fighting services during this period. The Rural Municipality is working to restore the service level. During this time, residents may experience an increase in fire department response times.

If you have an emergency please continue to contact 911, fire services from surrounding municipalities have been put in place and are prepared to respond.

Further updates will be provided as any adjustments are made.

Any questions can be directed to
RM Office at 204 733 2423
