

PRESS RELEASE

The Reeve and Council of the Rural Municipality of Lakeshore wish to express the following:

We extend our deepest condolences to the Kirk family as they mourn the loss of Charlie Kirk—a devoted husband and father. Our thoughts and prayers are with them during this time of profound grief.

The RM of Lakeshore strongly condemns the actions of those responsible for the political assassination of Mr. Kirk. Such violence has no place in any society.

As a gesture of solidarity with our American neighbours, the Canadian flag will be flown at half-mast at the RM of Lakeshore Municipal Offices until 8:00 a.m. on Monday, September 15, 2025, except at Ochre River office due to technical issues.

Sincerely,

Reeve Isaac Olson

Rural Municipality of Lakeshore
